

SYMPHONY SATURDAYS 2020

Symphony Saturdays, presented by the Maryland Symphony Orchestra, is a hands-on musical experience for children in grades 1-3. In this four-week program, participants will hear MSO musicians play their instruments and will be introduced to the various instrument families. Each week, children will have the opportunity to try the instruments themselves and learn basic musical concepts as they experience the joy of music! Participants can choose between enrolling in the entire four-week program, or register for individual sessions.
